NEWS RELEASE

January 2013

WESTFALL COMPANY, INC. TEAMS WITH MOON FABRICATING CORPORATION

Westfall Company, Inc. is pleased to announce their newest partnership with Moon Fabricating of Kokomo, Indiana. Moon Fabricating will expand the available services offered to the Westfall Company's customer base by providing them with industry leading solutions for tank lining services.

Moon Fabricating specializes in custom fabrication and corrosion control tank linings. They have the ability to build from your specifications utilizing carbon steel, stainless steel, aluminum, titanium, or alloys. Westfall Company, Inc. will be representing Moon in the states of Missouri, Illinois and Kentucky.

Moon Fabricating Corporation is dedicated to safety, quality and reliability. Moon offers decades of experience, the highest quality products available in the tank lining industry, and a single source solution for lined fabrications. Their field service crews provide safe, reliable, corrosion resistant lining services with a solid history of on-schedule project completions.

Alan Westfall, President of Westfall Company, Inc. stated, "Storage vessels are a big part of our business. We have always supplied tanks manufactured of fiberglass, polyethylene and exotic plastics. This partnership with Moon Fabricating Corporation will allow us to provide quality metal vessels with an array of optional protective linings."

Westfall Company, Inc., located in Eureka, Missouri, is a major supplier of pipe, pumps, tanks, valves, fiberglass structures and emergency field repairs. We take pride in our high quality products and services, as well as our knowledge of industry leading products since 1972.

Please inquire about any of the mentioned services that Moon Fabricating is now offering to Westfall Company, Inc. and their customers.
