

WESTFALL COMPANY, INC.

NEWS RELEASE

March 2011

NATHAN PETERS HIRED AS BRIDGE DRAIN PIPE ACCOUNT MANAGER.

Westfall Company, Inc., located in Eureka, Missouri, is proud to announce that Nathan Peters has accepted the position of Bridge Drain Pipe Account Manager for Westfall Company, Inc.

Mr. Peters started with Westfall Company, Inc. in March as Account Manager for the Bridge Drain Pipe Division of Westfall Company. Alan Westfall, President of Westfall Company, stated “Nathan will concentrate on the FRP Bridge Drain products, as well as our other equipment”.

Nathan will be working with existing bridge drain pipe customers, as well as working with Department of Transportation personnel across the United States to secure Fiberglass Pipe as the best available product for use for bridge drainage.

Nathan, a graduate of Purdue University, has a Civil Engineering Degree, with an emphasis in Transportation and a minor in History.

Mr. Peters currently lives in Sullivan, MO and enjoys watching and playing his favorite sports of baseball and soccer. Nathan also enjoys studying history and travelling.

Westfall Company, Inc. is a major supplier of pipe, pumps, tanks, valves, fiberglass structures and emergency field repairs of non-metallic systems. We have been serving our customers since 1972. We take pride in our high quality products and services, as well as our knowledge of industry-leading products.

Please join us in welcoming Nathan to his new position.
