## NEWS RELEASE

January, 2020

### NOV ANNOUNCES ACQUISITION OF DENALI INC.

Westfall Company, Inc., located in Eureka (St. Louis County), Missouri, is proud to announce National Oilwell Varco (NOV) has purchase the Denali Corporation. Denali is renowned leader in fiberglass-reinforced plastic (FRP) products and technologies with more than 50 years of providing innovative FRP solutions to the petroleum, chemical, power generation, and water industries.

Denali will incorporate seamlessly within our established Fiber Glass Systems business unit, which will now provide customers with integrated, full-service solutions—fiberglass pipes, risers, and tanks—from a single, trusted provider. We are excited to incorporate Denali’s fiberglass expertise to continue to provide superior products to our customers.

With this acquisition, NOV also acquired the Denali Incorporated brands of **Belco, Ershigs, Fabricated Plastics, Fibra, and Plasti-Fab.**

Westfall Company, Inc. is a major supplier of pipe, pumps, tanks, valves, fiberglass structures and emergency field repairs of non-metallic systems. We have been serving our customers since 1972. Westfall Company Inc. takes pride in our high-quality products and services, as well as our knowledge of industry-leading products. We are dedicated to continuing to educate ourselves in our product lines and in the industries which we serve.
